Other information

Salad of celery and carrots - classic, simple and delicious. Suitable for hot and cold dishes, will be a base for soups, salads or vegetable bake.

Celery has a positive effect on metabolic processes, so it is consumed in diets. It also lowers blood pressure, helps with constipation and removes toxins from the body.

Carrots contain a lot of carotene, vitamins and nutrients. Full of antioxidants that prevent the aging of our body. If you work on the computer a few hours a day, carrots are ideal for you. High vitamin A content works salutary on tired eyes.
